

# Parents As Teachers

## What's New?

Welcome back! We are looking forward to a new and exciting year and anxious to see you and your children.

\*We were sorry to learn that we would be losing long-time parent educator Tammy Prewitt. She and her husband Bryan have moved to Albany, MO where she will continue in her role as parent educator. We wish them all the best!

\*We are pleased to welcome Danielle Costner as our new Parent Educator. Danielle is highly qualified with a degree in Early

Childhood Development, experience as a home visitor for Head Start, and mother of Caden—8, Milo—2, and Harrison—2 months. Please join us in welcoming her to the program!

\*We are excited to announce new locations for our play group meetings. Due to the growth of programs at Garrison School and great attendance at our functions we are going to try something new. Be sure to check the calendar and attend these fun-filled developmental activities!

\*We were surprised to find

out that we would be trading spaces with the Title 1 classroom! We've been busy organizing our new space at Garrison School and are thrilled to be here.

\*We are also excited to share the Garrison Website with you. You can check out all of our upcoming events. This can be found by going to [www.chillicotheschools.org](http://www.chillicotheschools.org) and clicking on the Garrison link at the bottom of the page. Please notice our email addresses on this newsletter for contact information.

her assisting you in your role as your child's first and best teacher!

## Off To A Great Start!

\*Please call or email a parent educator if you are eager to get started or if you have any changes with your phone number or address.

\*We will be working hard to contact you by the end of

September. Please don't hesitate to give us a call!

\*Danielle has been busy attending trainings and is eager to share this information with you. We know you will feel comfortable with
