

TYLER-SIS PARENT PORTAL

ENHANCE YOUR CONNECTION BETWEEN YOUR CHILDREN AND THEIR EDUCATION.

To begin using the Parent Portal, simply follow these steps:

1. Fill out the Parent Portal Registration form and return it to the school OR complete the online form.
(<https://spreadsheets.google.com/a/chillicotheschools.org/viewform?hl=en&formkey=dEN1cGNQN3dlSGl6T0dGc1piNzZwYIE6MA..>)
2. Your password will be emailed to the address you provided on the registration form.
3. Go to the Parent Portal web page (<http://sdm.sisk12.com/ch/parent>)

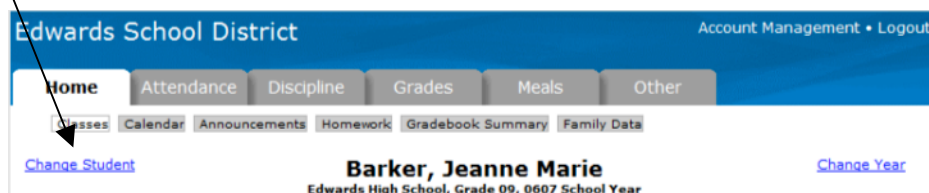

If you have problems or questions about accessing the site, please contact the school where your child is enrolled.

NOTE:

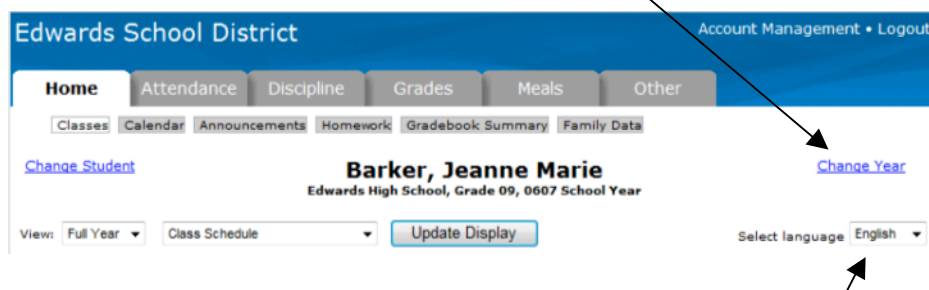

- If your email address changes, be sure to contact the school and let them know so your contact info can be updated.
- As part of the security procedures, the ONLY way to receive your password is by email. The school office cannot give it to you because they do not have access to your password.

Once inside the Portal, you will have access to several different areas of information for each child you have enrolled in the district. Each of these areas is explained below.

If you have more than one child enrolled, select which child's information you wish to view by clicking the Change Student(s) link at the top of the page.

Normally you will want to view information for the current school year, but if you have a need to view information from a previous school year, use the Change Year link.

If preferred, the Portal can be displayed in Spanish. Use the Select Language dropdown to select Español. This will translate the fixed text in tabs, buttons, and column headings. Note: Data entered by teachers and administrators will not be translated.

On any of the pages, if a teacher's name is underlined, it means an email address is available for that teacher. Clicking the name will let you send an email to them.

Home Tab

Classes

The drop-downs on this page can be used to select a specific semester, term, or the full year as well as to change between the student's class schedule, class change history, 4-year course plan, and class pre-registration requests.

The screenshot shows the Edwards School District student portal. At the top, there are navigation tabs: Home, Attendance, Discipline, Grades, Meals, and Other. Below these are sub-tabs: Classes, Calendar, Announcements, Homework, Gradebook Summary, and Family Data. The main content area displays the student's name, **Barker, Jeanne Marie**, and her school information: Edwards High School, Grade 09, 0607 School Year. There are links for [Change Student](#) and [Change Year](#). Below this, there are dropdown menus for 'View' (set to Full Year) and 'Class Schedule', along with an 'Update Display' button and a language selector (set to English). A table below shows the student's class schedule:

School	Period	Term	Subject	Title	Teacher (Email)	Room

ZZHS	2	Sem2	H5130-01	9TH HEALTH GIRLS	Clives, H		Homework	Gradebook

From the class schedule, you can access the Homework and Gradebook for each class by clicking the appropriate link.

Homework

Account Management

The Preferences section allows you to set the default items you wish to show on the Calendar page. Checking All Students will make the calendar show all of your students, regardless of which student is currently selected for viewing.

The screenshot shows the 'Account Management' section of the Edwards School District portal. At the top, there is a navigation bar with tabs for Home, Attendance, Discipline, Grades, Meals, and Other. Below this, the 'Account Management' title is centered. Underneath, the 'Preferences' section is visible, showing a list of items to be displayed on the calendar: All Students, Homework, Attendance, and Discipline, each with a checked checkbox. A 'Save Preferences' button is located at the bottom of this section.

If you want to alter your password, you can do so in the Change Password section.

The screenshot shows the 'Change Password' form. It includes a header with the title 'Change Password' and a note: 'Your new password should be something you will remember but someone else would find hard to guess. You can use any combination of upper and lower case letters, numbers, and punctuation.' Below the note are three input fields labeled 'Current Password:', 'New Password:', and 'Verify New Password:'. A 'Submit Change' button is positioned at the bottom of the form.

The Login History page shows a record of each time this username has been used to access the portal as well as the IP address being used at the time.

The screenshot shows the 'Login History' page with a table containing three columns: Date, IPAddress, and Login Status. The table lists three successful login attempts.
